

Worship & Stewardship

Fundraising Philosophy

As we live our lives in light of the incarnation of God's Word, our ministry team believes that giving to adoption and orphan care is worship to the One whose plan has always been to build His eternal kingdom through adoption in Christ. Regardless of the size or type of contribution, we believe that each penny freely given to Show Hope must be properly stewarded in a manner consistent with our stated mission to the glory of God.

As a member in good standing with the Evangelical

Council for Financial Accountability (ECFA), each year our financial statements are prepared by an independent audit firm in accordance with generally accepted accounting principles. Contributions to the ministry are tax-deductible to the full extent allowed by law.
