

SECURITIES DONATION INFORMATION & INSTRUCTION

IMPORTANT: *When your financial institution sends your stock donation to Show Hope, they will not provide your name to Show Hope. In order for us to attribute the gift to you and provide you with a letter of acknowledgement, please email or mail the Gift Information Form to the address listed.*

By donating Securities (stock, bonds, etc.) to the ministry, the donor is able to support the ministry, avoid paying capital gains taxes, and receive a charitable contribution deduction for the fiscal year the transfer took place (consult a tax professional about what tax benefits would specifically apply). Below you will find important information that you will need to execute the transaction.

Please note: Usually, the donor will be able to take the full market value of the securities on the date they are transferred as an itemized deduction, without incurring any tax on the gain represented by the difference between his or her cost and the current market value.

STEP 1 - TRANSFER SECURITY FOR CONTRIBUTION

The easiest way to donate securities is electronically through your broker. You must initiate the transfer with your broker.
